Digital Core Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program explores the marine ecosystem from tributaries, rivers and oceans to develop an understanding and let the viewer know that we are key in preserving the ocean environment. Aqua Kids teaches about the diversity and beauty of the marine environment and its potential destruction by pollution and carelessness of the human population; such as marine mammals dying from the ingestion of plastic and toxic waste in our waterways destroying the habitat and marine life. By showing the audience the problems they encounter, the Aqua Kids educate their peers on what can be done to solve environmental dilemmas. This program aired on the secondary digital stream 24.3.
Does the Licensee identify the program by displaying throughout the program the symbol E/I?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The programs young host, Claire Thomas, shows viewers how everyday life can inspire culinary creations. In each episode, Claire shows how food can be used as a tool to explore new places, meet new people and learn about new cultures. The inspiration for the food prepared on the program can come from family, friends, or people asking for her expertise. No matter how exotic or familiar the location, Claire is always in search of new tastes. While teaching the viewer how to prepare the particular inspired dish, she also promotes a healthy attitude towards food and life. This program aired on the secondary digital channel 24.2.
