Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Programs(14)

Digital Core Program (1 of 14)	Response
Program Title	Animal Atlas (DT 66.2)
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays 9:00 AM
Total times aired at regularly scheduled time	13
Total times aired	13
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Atlas makes the animal world entertaining, enlightening and informational. The series uses humor, natural visuals and an everyday attitude to reach the minds of young viewers. It uses a friendly and fascinating presentation of information to engage young viewers and broaden their knowledge and perspective of the animal world. Viewers are exposed to every kind of animal imaginable, from the familiar to the astounding, including apes and giant lizards, sharks and tigers and animals from the Americas, Africa, Asia, Australia and elsewhere. Viewers discover the variety of places and situations that animals live in, how they find food and what they eat, how they play and care for their young, and the dynamics of the family units they live in. Animal Atlas also educates young viewers about endangered species and provides useful information on wildlife conservation. The show incorporates the learning categories of life sciences, biological sciences and critical thinking skills in teaching viewers about animals and nature.

Digital Core Program (3 of 14)		Response
Program Title	On The Spot (DT 66.2)	
Origination	Network	
Days/Times Program Regularly Scheduled	Saturdays 11:00 AM	

Total times aired at regularly scheduled time	13
Total times aired	13
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	On The Spot is a question and answer show challenging viewers to recall middle and high school knowledge about history, science, math, English, second languages, health, geography, art, music, and technology, and then teaches them the answer. The show uses an entertaining on-the-street format to test how well young people know the information contained in their own national curriculum. The format allows a wide range of topics and allows topics to be blended. The program also succeeds in modeling all ages, races and genders as successful, knowledgeable individuals. Although there are right and wrong answers, there are right answers from people that every audience member can identify with so that they see a representative from their own group succeeding. In turn, it also allows viewers to learn respect for those outside their own group.

Program Title	Safari Tracks (DT 66.2)
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays 9:30 AM

Total times aired at regularly scheduled time	13
Total times aired	13
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Safari Tracks offers viewers a natural look at the exotic animals of the African continent. The engaging host, also from Africa, provides educational information on specific species and how they contribute to the ecosystem of the habitat. He encourages viewers to make ethical decisions and care about the planet.</p> <p>Topics such as predator-prey relationships, endangerment of natural habitat and species by human activity and the low survival rate of some animals are discussed as part of the animal characteristics so that viewers get a more complete and candid picture of the animal and its habitat. Viewers learn about ecology, how population affects ecosystems, how animals learn to adapt for survival, natural selection, the great diversity of species and even reproduction or geographic isolation and how it impacts species. Above all, the series shows respect for the animal world and encourages viewers to show respect for animals and the environment.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Faithville Gospelcast Productions is a non-profit charitable organization in the United States and Canada. Their office and studio facilities are located in Ontario. They produce family television and radio programming for children that entertains and educates. The goal is to assist parents, grandparents and educators in the development of children. The programs are designed to help the family instill good moral values, respect for one another and one's individual importance. The curriculum and programs always teach the golden rule treat others as you would want them to treat you.

Certification
