Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	NOODLE AND DOODLE is an instructional series that features creating art projects and cooking projects around a specific theme. The show is hosted by Sean, who drives around in a double-decker bus fully equipped with art supplies, and a kitchen, all ready for any assignment. The projects encourage parent engagement and often feature families working together to make something for display in the child's home. Sean is accompanied by Doggity, an every-faithful Beagle dog, who transforms into an animated character during interstitial trips to a parallel universe and kitchen full of prank playing animated characters. While the show will be enjoyed by preschoolers, the projects are also very practical and engaging to implement for children ages 5-8. The art projects typically feature lessons on recycling materials for re-use in making art and always demonstrate that creativity can transform something intended for one purpose into something useful to achieve a completely different goal.

Origination	Network
Days/Times Program Regularly Scheduled	Sat 8:00 & 8:30 am
Total times aired at regularly scheduled time	26
Length of Program	30 mins
Age of Target Child Audience from	4 years to 7 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	LA ABEJA MAYA, Maya the Bee is an entertaining preschool series that furthers the educational and informational needs of children by promoting the social and emotional goals of independence, empathy and diversity. The series also serves the cognitive and intellectual needs of children by teaching them about biodiversity and the importance of protecting nature. The main character, Maya, is a free spirit with a curious demeanor and fondness for discovery. With her eagerness for adventure, she lives free in the meadow, because the world is just too big and too fascinating to stay in the bee hive. Through Mayas open mindedness, children learn to foster their curiosity and to accept and respect others. On her way through the meadow, Maya and her many friends teach children valuable lessons about supporting the weak, learning from each other and appreciating different perspectives on life.
