Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program offers teens an opportunity to view everyday people, regardless of age, sex, occupation or education, stepping forward and acting in a socially responsible and moral fashion when faced with crises and moral dilemmas. In a candid camera-type format, individuals are placed in situations that cause them to demonstrate acts of kindness and generosity, stand up for diversity, shield others from bullies, and embrace friendships. In addition, the program includes segments that focus on overcoming ones fears, as well as rewarding individuals for their unselfish kindness and community service. The program seeks to encourage young viewers to increase their sensitivity and awareness, in order to refine their own moral compass. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commissions rules.
