Program Title	Wild America
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturday, 7:30AM
Total times aired at regularly scheduled time	13
Total times aired	13
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species with the aid of up close and detailed photography throughout the program. Through this understanding it is hoped that viewers will better relate to the natural environment as it exists in North America and learn to protect North America's animal species. This program airs on the main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Supported by a team of Georgia Aquarium biologists, veterinarians, and other experts, Jeff Corwin travels the world to explore the Earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays, pointing out that their body form was the inspiration for the design of the Stealth jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet, as well as how sea life connects to life on the rest of the globe. This program aired on the main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program showcases the hard work and dedication required to be a true sports star. Chronicled are the trials and tribulations of young athletes as they strive to become top level performers in the sports arena. This program helps viewers realize that with hard work and determination, their goals in life and on the playing field are attainable. Key values such as dedication, discipline, commitment and community involvement are reinforced in each episode. The program also provides in-depth stories that reveal the important challenges and lessons that mold young athletes. Through these stories, viewers learn that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout their lives. This program aired on the secondary digital stream (33.2).

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Much of the food Americans eat is produced by farmers and ranchers in the country's heartland, but many children don't know how it's produced. "America's Heartland" provides information about the people and processes responsible for the availability of food and fuel across the country and around the world. The show's reporters and producers tell stories in topics that include farm families, consumer issues, animal welfare and crop sustainability. Children will learn about the production of the food and fuel they consume. Some episodes also take the show abroad to countries such as Egypt and Taiwan, to show the impact American agriculture has on the global economy. This program aired on the secondary digital stream (33.2).

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program chooses a region, special adaptations animals have made, or a specific animal, and uses a top ten countdown. From a safari in Botswana, to a dude ranch in Montana, to a retirement home for horses, Jack counts down 10 incredible experiences. He also explores wild and rare animals in Australia such as dingoes, devils and cassowaries. For animal adaptation, Jack travels from the Arctic to the desert, picking ten animals that have made special adaptations to survive in the harsh environment. This program informs the viewer about animals and their habitat, which can lead the viewer to discussions regarding the environment and conservation. This program aired on the secondary digital stream (33.4).

Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C. F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Matthew Diehlmann
Address	2000 West 41St St
City	Baltimore
State	MD
Zip	21211
Telephone Number	(410) 662-4545
Email Address	mcdiehlmann@sbtv.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	WTVZ broadcasts an average of four minutes each day of public service announcements aimed directly at viewers under the age of sixteen. These PSA's are aired in the designated kids programming time periods and address multiple children's issues such as healthy diets, environmental awareness and the importance of education.

Program Title	Wild America
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays, 10:30am
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species with the aid of up close and detailed photography throughout the program. Through this understanding it is hoped that viewers will better relate to the natural environment as it exists in North America and learn to protect North America's animal species. This program will air on the main digital stream.

Program Title	Ocean Mysteries with Jeff Corwin
Origination	Network
Days/Times Program Regularly Scheduled	Mondays/ 9am
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Supported by a team of Georgia Aquarium biologists, veterinarians, and other experts, Jeff Corwin travels the world to explore the Earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays, pointing out that their body form was the inspiration for the design of the Stealth jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet, as well as how sea life connects to life on the rest of the globe. This program will air on the main digital stream.

Program Title	America's Heartland
Origination	Network
Days/Times Program Regularly Scheduled	Tuesdays/ 10am
Total times aired at regularly scheduled time	13

Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Much of the food Americans eat is produced by farmers and ranchers in the country's heartland, but many children don't know how it's produced. "America's Heartland" provides information about the people and processes responsible for the availability of food and fuel across the country and around the world. The show's reporters and producers tell stories in topics that include farm families, consumer issues, animal welfare and crop sustainability. Children will learn about the production of the food and fuel they consume. Some episodes also take the show abroad to countries such as Egypt and Taiwan, to show the impact American agriculture has on the global economy. This program will air on the secondary digital stream (33.2).
