Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	In this weekly half-hour series, Jeff embarks on journeys to fascinating global locations most people have only dreamed of visiting. Each episode brings Jeff to a unique area of the world where he will explore the area's natural wonders to bring viewers closer to nature, wildlife and manmade treasures. From mountain climbs to deep sea dives, helicopter rides and glacier treks, Jeff brings young audiences on the inspirational trip of a lifetime. Produced for viewers aged 13-16, and the whole family, Ocean Treks with Jeff Corwin is hosted by Emmy award-winning television host Jeff Corwin. Hosted by Jeff Corwin, Ocean Mysteries is produced for ages 13-16 - and beyond -by showing how animals share the same behaviors, challenges and triumphs that humans do. From exciting rescues of abandoned animals to unexpected conflicts in the "family dynamics" of the mingling species, viewers will get to know - and care - about these heroes, and all of the fascinating life teeming in our oceans.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The half-hour weekly series, Sea Rescue, features the rescue, rehabilitation and - in many instances - release back into the wild of ocean wildlife. Produced for ages 13-16, Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. Viewers will also learn that there's a reciprocal benefit: rescued animals provide valuable insight into their biology and ecology. This information adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue will leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet.
