Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Zoo Clues is an educational and informative half-hour, E/I program that takes viewers on a fast-paced and entertaining tour of the entire animal kingdom. Each episode delivers endless amounts of meaningful information as the show tackles some of the animal kingdom's most mind-blowing questions: Can birds fly backwards? Are whales fish? Do dogs sweat? Why do zebras have stripes and leopards spots? Questions and clues are presented, giving viewers a chance to guess the right answers. The goal of the series is to provide young viewers with a meaningful perspective of the creatures around them and valuable comparisons to their own human characteristics.
