**Digital Core
Programming**

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Dave German
Address	1550 W. Interstate 20
City	Odessa
State	TX
Zip	79760
Telephone Number	(432) 580-0024
Email Address	dgerman@kpejtv.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	After due review of internal station records and documentation provided to us by program suppliers, the licensee hereby certifies that the station fully complied with the FCC's commercial limits in children's programs, as specified at 47 C. F.R. Section 73.670, with respect to all programs specifically designed for children ages twelve (12) and under. In addition to the educational or informational programs listed in this report, the station broadcast the following programs specifically designed for children ages twelve (12) and under that were not "educational or informational": none.

Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Reino Animal" [Animal Atlas] is an educational program that travels the globe to meet every kind of animal imaginable, from the familiar to the astounding. Each episode takes young viewers on a journey through the animal kingdom to learn about the lives, histories, and varying adaptations that allow animals to survive and thrive in the wild. The series strives to present a wide variety of information in a number of interactive and poignant sequences to make knowledge of the animal kingdom both simpler and easier to remember. It's through this engaging information and rich visual content that allows viewers to better understand and appreciate the animal world around them.
