Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Network preemptions for sports programming during our morning children's block has a greater impact on stations in the Alaska time zone than in the lower 48 states. The preempted children's programs always air in their entirety in the order in which they are scheduled by NBC in the same sequence as at their regularly-scheduled times, except they are aired following the sports program that preempted the children's block. There have been some instances in which one or more programs have been rescheduled to Sunday due to the length of live NBC sports on Saturday. The licensee announces to check their local listings for the new times. This has been a consistent practice of the station so that viewers will know when to expect to view the children's programming that is preempted by sports. The More You Know's website ( <a href="http://www.nbc.com/tmyk">www.nbc.com/tmyk</a> ) features video and scripts from the award-winning public service announcements, referral information for the organizations referenced in the PSA's, a general campaign overview, and educational materials produced in connection with NBC programming. The site also includes a list of the campaign's most recent accolades.
