Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Due to Hurricane Harvey, KBTB and surrounding stations sustained damage to their transmitter sites. Preemptions on digital stations 4.2 and 4.3 could not be made good as the station focused its efforts on the primary feed and assisting other stations which sustained greater damage. KBTB FOX 4 continued its commitment to children in Southeast Texas as a partner in various fund raising and community service projects. In partnership with local business, we provided tickets to the Gala of Royal Horses Carousel of Dreams presentation at Ford Park in Beaumont, TX. Families and schools were encouraged to pick up free eclipse glasses to watch the solar eclipse on August 21st. We partnered with the American Heart Association, and 8 year old Zoe, to alert children and parents to the dangers of heart disease. We also partnered with the United Way of Northern Jefferson County to raise money to help the children affected by Tropical Storm Harvey by presenting the first annual Hometown Huddle Chili Cookoff. We have a Medical Mondays segment on SOUTHEAST TEXAS LIVE which addresses health issues which sometimes pertain to children. We partnered with TAB in the Okay to Say campaign, trying to erase the stigma of mental illness in society. This campaign will run through the summer. We included a Color the WX contest in our Hurricane Preparedness program, to further involve children in hurricane awareness and safety. We continue airing public service announcements alerting children to the dangers of texting and driving, Feed America, the dangers of diabetes, car seats, and financial literacy. We run public service to Stop Bullying, Spread the Love, confidence, the importance of Child Safety Seats, gun safety, and minority education. In addition, we air spots for drug free kids, suicide prevention, adopting shelter pets, and teaching kids CPR.
