Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	THE INSPECTORS is a scripted dramatic series set in Washington, D.C., inspired by compelling real cases handled by the United States Postal Inspection Service. In the series, Preston Wainwright (Bret Green), a determined teen who is thriving after being paralyzed in a car accident, works as an intern for his U.S. Postal Inspector mom, Amanda (Jessica Lundy), helping to solve crimes ranging from Internet scams, identity and mail theft, to consumer fraud. THE INSPECTORS strives to educate young people about making the right choices in their daily lives, encourages open communication between teens and parents and includes positive messaging regarding living with disabilities, overcoming challenges, beating the odds and the power of perseverance. Also starring in the series are Terry Serpico, Harrison Knight and Erica-Marie Sanchez. The United States Postal Inspection Service, the nation's oldest federal law enforcement agency, will serve as the show's official programming resource. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	In each episode, Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether it's the need for speed or animal heroes, there is always something amazing happening. It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
