**Digital Core  
Programming**

| Question  | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream  | 3.0      |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream  | 336.0    |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:  | 6.0      |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?  | Yes      |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes      |

**Digital Core Programs(37)**

| Digital Core Program (1 of 37)   | Response  |
|--|---|
| Program Title  | (KTVK 3.1) Ocean Mysteries  |
| Origination  | Syndicated  |
| Days/Times Program Regularly Scheduled   | Sundays 11am (July 2 - September 24, 2017)  |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Think Big shows children actively solving problems using scientific principles, combining skill and creativity. The series also demonstrates real world applications for math, science and engineering, proving that the physical sciences can be useful, challenging and fun. Each episode presents a "invent off" challenge where teenage teams must invent a machine designed to perform a specific task in a limited amount of time. |
| Does the Licensee identify the program by displaying throughout the program the symbol E/I?                              | Yes  |

| Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3. | After due review of internal station records and documentation provided to us by program suppliers, the licensee hereby, certifies that the station fully complied with the FCC's commercial limits in children's programs. as specified at 47 C.F.R. Section 73.670, with respect to all programs specifically designed for children age twelve and under. In addition to the educational or informational programs listed in the report, the station broadcast the following programs specifically designed for children ages twelve and under that were not "educational or informational" programming: None. The multiple schedule changes on KTVK channels 3.2 and 3.3 were the result of our acquiring the Comet TV affiliation on August 1, 2017 which removed all local programming from channel 3.2. The E/I programs which had been on 3.2 were moved to 3.3 and then further time period changes on 3.3 occurred when some of those programs expired at the end of the 16/17 broadcast season in September. |
