The series also serves the cognitive and intellectual needs of children by teaching them about biodiversity and the importance of protecting nature. The main character, Maya, is a free spirit with a curious demeanor and fondness for discovery. With her eagerness for adventure, she lives free in the meadow, because the world is just too big and too fascinating to stay in the bee hive. Through Mayas open mindedness, children learn to foster their curiosity and to accept and respect others. On her way through the meadow Maya and her many friends teach children valuable lessons about supporting the weak, learning from each other and appreciating different perspectives on life.
