<p>Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.</p>	<p>Univision Seattle KUNS TV Childrens Report PSAs Aired during 3rd Quarter 2017 on Univision Seattle</p> <p>KUNS TV Discovering Nature Ad Council Research shows there are many benefits to kids spending time in nature. This time spent outdoors gives children the ability to explore, use their imaginations, discover new wildlife and engage in unstructured and adventurous play. This campaign seeks to raise awareness of these benefits, inspiring young people to discover the joy of exploring the natural world, and encouraging families to experience nature first hand. Adopt Us Kids Ad Council Adopt Us Kids aims to promote adoption from foster care and raise awareness of the significant number of older youth waiting to be adopted. The new materials are part of the National Adoption Recruitment Campaign and Response. Featuring the theme You dont have to be perfect to be a perfect parent, this campaign developed in partnership with the US Childrens Bureau and Ad Council illustrates through humor that youth in foster care dont need perfection they need the commitment and love a permanent adoptive family can provide. American Dental Association The American Dental Association is committed to its members and to the improvement of oral health for the public. The American Dental Associations vision is to be the recognized leader on oral health with its mission to help all members succeed. The American Dental Association of works to advance the dental profession on the national, state, and local level. The Foundation is a philanthropic arm that provides scholarships for dental students, advocates for childrens dental health and supplies disaster relief to members in need. CDC Childhood Immunizations CDC works 24 7 to protect America from health, safety and security threats, both foreign and in the US Whether diseases start at home or abroad, are chronic or acute, curable or preventable, human error or deliberate attack, CDC fights disease and supports communities and citizens to do the same. CDC increases the health security of our nation. As the nations health protection agency, CDC saves lives and protects people from health threats. To accomplish our mission, CDC conducts critical science and provides health information that protects our nation against expensive and dangerous health threats, and responds when these arise. National Association Music Merchant Foundation Just Play Music Awareness Founded in 2006, The National Association Music Merchant Foundation represents the generosity and philanthropy of the music products industry. A supporting organization of National Association Music Merchant, the National Association of Music Merchants, the National Association Music Merchant Foundation is funded through trade association activities and donations .Its mission is to advance active participation in music making across the lifespan by supporting scientific research, philanthropic giving and public service programs. Thrive by Five Washington Over the past decade, Thrive by Five Washington has been a leader in creating Washingtons high quality early learning system and combining public and private dollars to help. It has been at the forefront of developing geographic, demographic and content based alliances to develop and implement projects that serve families and their young children. Along with legislative support, philanthropists, business people and community leaders who believe in early learning to give children a better start in school and life.</p>

Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	AMERICAS HEARTLAND Much of the food Americans eat is produced by farmers and ranchers in the countrys heartland, but many children dont know how it's produced. Americas Heartland provides information about the people and processes responsible for the availability of food and fuel across the country and around the world. The shows reporters and producers tell stories in topics that include farm families, consumer issues, animal welfare and crop sustainability. Children will learn about the production of the food and fuel they consume. Some episodes also take the show abroad to countries such as Egypt and Taiwan, to show the impact American agriculture has on the global economy. This program aired on the secondary digital stream channel 51.2
