Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Save Our Shelter is a series focusing on the "rescue" of animal shelters and pets in need across America. Each week, hosts Rocky Kanaka and Rob North, with the help of local community members, transform rundown shelters into highly functioning pet showplaces in the hopes that a new facade will ultimately result in more adoptions and more lives saved. Produced for children 13-16 years old, Save Our Shelter will inform young people about the urgent need for pet adoption throughout the United States and how providing a clean and well-equipped home is essential to a pet's healthy lifestyle. Save Our Shelter will demonstrate to young people that the proper care of pets reflects our best human qualities. By expressing this ultimate example of kindness, teens will learn an important educational lesson that will stay with them for life.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Never doubt the power of friendship. Unlikely Animal Friends documents heartwarming tales about special friendships an animal forms with either an animal of a different species, or a human being. Some stories show that animals of different species, with nothing else in common, bond in the most unexpected ways. Or sometimes man's best friend is not who you think it might be. Sometimes the bonds between inter-species creatures, or animals and humans, are so surprisingly strong that you marvel at the depth of the connection. Of all the unlikely animal friends, this series profiles the most unique, most surprising, and most loving animal friendships.

Total times aired at regularly scheduled time	14
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Save Our Shelter is a series focusing on the "rescue" of animal shelters and pets in need across America. Each week, hosts Rocky Kanaka and Rob North, with the help of local community members, transform rundown shelters into highly functioning pet showplaces in the hopes that a new facade will ultimately result in more adoptions and more lives saved. Produced for children 13-16 years old, Save Our Shelter will inform young people about the urgent need for pet adoption throughout the United States and how providing a clean and well-equipped home is essential to a pet's healthy lifestyle. Save Our Shelter will demonstrate to young people that the proper care of pets reflects our best human qualities. By expressing this ultimate example of kindness, teens will learn an important educational lesson that will stay with them for life.

Save To Win is a fun and fast-paced play-along game show where savvy shoppers can win big cash by showcasing their knowledge of America's favorite household brands. Two teams of two compete head-to-head as they play shopping-themed games in a studio store that resembles Family Dollar, one of America's largest retail chains. Hilarious host and Celebrity Chef Pat Neely dishes out his southern charm as our contestants compete in three rounds testing their brand knowledge. Our show culminates in an exciting final bonus round where picking the right items off our product-themed prize wall can result in one team walking away with the jackpot.

Never doubt the power of friendship. Unlikely Animal Friends documents heartwarming tales about special friendships an animal forms with either an animal of a different species, or a human being. Some stories show that animals of different species, with nothing else in common, bond in the most unexpected ways. Or sometimes man's best friend is not who you think it might be. Sometimes the bonds between inter-species creatures, or animals and humans, are so surprisingly strong that you marvel at the depth of the connection. Of all the unlikely animal friends, this series profiles the most unique, most surprising, and most loving animal friendships.
