Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Missing" is a weekly half-hour educational/informational series focusing on actual cases of missing persons. The series provides information and descriptions of missing children, including endangered runaways as well as victims of abductions. The show also presents peer-to-peer advice on safety in public places and in cyber space, including real-world examples of how to avoid potentially dangerous situations. The program emphasizes taking active responsibility for personal safety and promotes situational awareness, presented in a calm and non-threatening manner suited for teenagers.
