Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	On this program, animal behaviorist Cesar Millan works to rehabilitate dogs with behavior problems. Viewers age 13-16 and the entire family will become educated about canine training and creating a healthy environment for dogs. Millan goes directly into the homes of the dog owners and documents the transformations that occur. By offering suggestions to modify their own behaviors, Millan assists the dogs' human families to achieve responsible pet ownership, and a balanced and a natural relationship with their pets. This station airs KXTU on the stations secondary digital channel 21.2.
