Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.5
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Total times aired at regularly scheduled time	13
Total times aired	13
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Supported by a team of Georgia Aquarium biologists, veterinarians, and other experts, Jeff Corwin travels the world to explore the earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays, pointing out that their body form was the inspiration for the design of the Stealth jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet, as well as how sea life connects to life on the rest of the globe. This program aired on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals and their environment. Throughout the series emphasis will be placed on protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species with the aid of up close and detailed photography throughout the program. Through this understanding it is hoped that viewers will better relate to the natural environment as it exists in North America and learn to protect North America's animal species. This program aired on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer, Brandon McMillan operates a training facility known as the Lucky Dog Ranch where his mission is to rescue hard to love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of rescuing these animals from death and providing a second chance for life. In order to accomplish his goal, McMillan must investigate what each animal needs to find the appropriate method to retrain them so that they will make welcome members in a family. Through watching his interaction with these animals, the viewer is encouraged to be sensitive to our own and other's behavior as well as showing how we as individuals can make a difference. This program aired on the station's secondary digital stream, channel 2.1.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	NOTE: Teen Kids News Teen Kids News (11A, 11/11 make-good) scheduled in 6P, 11/11 in PALAS was pre-empted entirely. Due to SEC football running an half hour long, which caused the 5P news to slide (it aired 5:30-6:30P); 2News then pre-empted Teen Kids News. This program features weekly educational features such as, "College and You" (tips for choosing and getting into college) and "Word" (vocabulary skills training), as well as informational features for teens, such as reports about healthy eating; driving tips for new drivers, and internet predators. The program has been designed to meet the needs of children and young adolescents with a unique curiosity about their world, with headlines that present the news in a teen appropriate manner. The program stimulates the viewer's curiosity, develops their learning, cognitive, listening and thinking skills and serves as an enhancement to their academic and educational experience. This program aired on the station's secondary digital stream, channel 2.1.

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Sue Odette & Anna Eoff
Address	299 South Main Street, #150
City	Salt Lake City
State	UT
Zip	84111
Telephone Number	(801) 839-1234
Email Address	sodette@kutv2.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	CHECK YOUR HEALTH - ongoing campaign in 2017 - KMYU has a long term working relationship with the Department of Health & Intermountain Healthcare for Check Your Health and Baby Your Baby. Check Your Health is a campaign that includes media coverage on KMYU & the Broadway Radio Group. Commercials and stories are run that encourage viewers to make good health choices, be active and eat healthy. This campaign has a broad range that we are trying to reach; male, female, old and young. BABY YOUR BABY - on going campaign in 2017 - this campaign focuses on women 18-35, sharing the message of seeing your doctor 13 times during your pregnancy and by the 13th week you are pregnant. We cover stories on KMYU and encourage women to participate in pre-natal and post-delivery care. ANGEL TREE - We kicked off our 25th year of Salvation Army Angel Tree. This campaign ties in six sponsors, from all verticals, to help promote a broad community program. We helped provide Christmas presents to nearly 10,000 Utah children and senior citizens in need. Campaign spots started running in November. Also, Christmas trees went up, at all our sponsor locations, adorned with ornaments listing the names of the needy and their holiday present wish and needs list. The Angel Tree program included an aggressive television and web schedule as well as strong viewer involvement. This is always the premier and most anticipated event of the year for KUTV/KMYU, our families as well as friends and family of our sponsors.

Days/Times Program Regularly Scheduled	Monday, 8:30am 1/1-3/26/18
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Supported by a team of Georgia Aquarium biologists, veterinarians, and other experts, Jeff Corwin travels the world to explore the earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays, pointing out that their body form was the inspiration for the design of the Stealth jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet, as well as how sea life connects to life on the rest of the globe. This program will air on the station's main digital stream.

Program Title	LUCKY DOG (WILL AIR ON 2.1)
Origination	Network
Days/Times Program Regularly Scheduled	Saturday, 8:00am 1/6-3/31/18
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer, Brandon McMillan operates a training facility known as the Lucky Dog Ranch where his mission is to rescue hard to love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of rescuing these animals from death and providing a second chance for life. In order to accomplish his goal, McMillan must investigate what each animal needs to find the appropriate method to retrain them so that they will make welcome members in a family. Through watching his interaction with these animals, the viewer is encouraged to be sensitive to our own and other's behavior as well as showing how we as individuals can make a difference. This program will air on the station's secondary digital stream, channel 2.1.
