Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	504.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	9.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"The Coolest Places on Earth" is an educational and informative half-hour, E/I program that takes young viewers on a journey of discovery to the most astonishing places on the planet - cities, festivals, landmarks and jaw-dropping works of nature - exploring location's history and culture. Each episode showcases three specific locations and delivers fast-paced, engaging information that's a perfect match for the 21st century learner. The series is packed with facts about history, geography, and culture. The goal of the series is to provide young viewers with the inspiration and information to better understand and appreciate the culturally and geographically diverse world around them.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Heroes Among Us" tells the stories of people just like you and me who have chosen to make a difference in the lives of others. They are heroes that live in your community and have helped people you know. They are the unsung heroes who aren't seeking recognition or reward, but choose to act to correct injustice wherever they see it. Each episode will feature stories of courage and hope about people making a difference on every level - from the personal, to the professional, to the national stage - these ordinary people may just make a stranger's day a little brighter or they could change the world! Through reenactments and interviews we'll get to know these hometown heroes and what motivates them to do good and help their fellow humans.

Each episode delivers endless amounts of meaningful information as the show tackles some of the animal kingdom's most mind-blowing questions: Can birds fly backwards? Are whales fish? Do dogs sweat? Why do zebras have stripes and leopards spots? Questions and clues are presented, giving viewers a chance to guess the right answers. The goal of the series is to provide young viewers with a meaningful perspective of the creatures around them and valuable comparisons to their own human characteristics.

Program Title	Heroes Among Us - D4
Origination	Network
Days/Times Program Regularly Scheduled	Sundays, 11:00am - 11:30am (01/01/18-03/31/18)
Total times aired at regularly scheduled time	12
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Heroes Among Us" tells the stories of people just like you and me who have chosen to make a difference in the lives of others. They are heroes that live in your community and have helped people you know. They are the unsung heroes who aren't seeking recognition or reward, but choose to act to correct injustice wherever they see it. Each episode will feature stories of courage and hope about people making a difference on every level - from the personal, to the professional, to the national stage - these ordinary people may just make a stranger's day a little brighter or they could change the world! Through reenactments and interviews we'll get to know these hometown heroes and what motivates them to do good and help their fellow humans.
