2. Ownership Interests

(a) Ownership Interests. This Question requires Respondents to enter detailed information about ownership interests by generating a series of subforms. Answer each question on each subform. The first subform listing should be for the Respondent itself. If the Respondent is not a natural person, also list each of the officers, members of the governing board (or other governing entity), stockholders, and any other persons or entities with a direct attributable interest in the Respondent pursuant to the standards set forth in 47 C.F.R. Section 73.3555. (A “direct” interest is one that is not held through any intervening companies or entities.) List each interest holder with a direct attributable interest in the Respondent separately.

Leave the percentage of total assets (Equity Debt Plus) field blank for an interest holder unless that interest holder has an attributable interest in the Respondent solely on the basis of the Commission’s Equity Debt Plus attribution standard, 47 C.F.R. Section 73.3555, Note 2(i).

In the case of vertical or indirect ownership structures, list only those interests in the Respondent that also represent an attributable interest in the Licensee(s) for which the report is being submitted.

Entities that are part of an organizational structure that includes holding companies or other forms of indirect ownership must file separate ownership reports. In such a structure do not report, or file a separate report for, any interest holder that does not have an attributable interest in the Licensee(s) for which the report is being submitted.

Please see the Instructions for further detail concerning interests that must be reported in response to this question.

The Respondent must provide an FCC Registration Number for each interest holder reported in response to this question. Please see the Instructions for detailed information and guidance concerning this requirement.
