Program Title Elizabeth Stanton's Great Big World

Origination	Syndicated
Days/Times Program Regularly Scheduled	Sun 8a
Total times aired at regularly scheduled time	12
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core	Elizabeth Stanton's Great Big World provides dynamic programming in the areas of particular concern to young teens; including global, social, educational, and wellness issues. Various age-appropriate global issues are introduced to the viewing audience through in depth and thoughtful interviews with Elizabeth, he travel buddies, and the friends they meet along their journey. In addition, Elizabeth and friends' personal hands-on experiences in the field both inspire teens to engage in selfless, helping behaviors in addition to educating them on where and how to find volunteer opportunities. The program is regularly scheduled and airs between the hours of 7:00am and 10:00pm. The program is 30 minutes in length, and is identified as an educational and informational show, targeted to 13-16 year olds, at the beginning and through each broadcast, and in listings provided to publishers of program guides.

Origination	Syndicated
Days/Times Program Regularly Scheduled	Sat 10a
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Xploration Outer Space will take viewers on incredible journeys through space that will both entertain and educate. Ever wonder what it would be like to live in space or on a different planet? Watch our host try to perform every day responsibilities while floating in zero gravity. Explore the challenges that come along with living on a different planet as our host lives like an astronaut in a Mars-like habitat. We will have episodes of space robotics, commercial space tourism, asteroids, and our search for life, among many others. The program is regularly scheduled and airs between the hours of 7:00am and 10:00pm. The program is 30 minutes in length, and is identified as an educational and informational show, targeted to 13-16 year olds, at the beginning and through each broadcast, and in listings provided to publishers of program guides.
