Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	0.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	0.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Calling Dr. Pol is a weekly half hour series that explores the fascinating occupation of veterinary medicine. Designed to educate and inform viewers aged 13 to 16 and the entire family this inspiring series invites viewers to share in the experiences of Dr. Pol. An enthusiastic and naturally inclined and well rounded scholar, Dr. Pol has been practicing veterinary medicine for over 35 years. Caring for more than 19,000 patients, Dr. Pol has seen it all. Specializing in large farm animals, Dr. Pol, his family and veterinary staff also care for animals of all shapes and sizes. Each week audiences will have a chance to understand the challenges and rewards of this fulfilling profession and learn that the work does not end at the clinic; Dr. Pol often takes his talents to the road by helping sick or injured animals on neighboring farms and ranches. With the added benefit of the expert analysis of Dr. Pol and on screen factoids, viewers will have the opportunity to learn about the biology and behavior of various domesticated animals and livestock. Unstoppable and unflappable, this Doc is a legend in the community and provides an entertaining view of the veterinary profession.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hatched is an educational and informational series dedicated to teaching children aged 13 to 16 about how to successfully pursue their entrepreneurial dreams. Each week, a seasoned team of business leaders instructs entrepreneurs about the basic but critical business skills needed to bring a product from concept to the marketplace. A unique program that combines entertainment with business school, Hatched will focus on the skills needed to launch a product. It will help young people develop the confidence and business savvy to execute a detailed business plan that includes product pricing, packaging, marketing and investment strategies. Hatched brings young entrepreneurs to the table encouraging them to step up and seize their dreams.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Heroes Among Us tells the stories of people just like you and me who have chosen to make a difference in the lives of others. They are heroes that live in your community and have helped people you know. They are the unsung heroes who are not seeking recognition or reward, but choose to act to correct injustice wherever they see it. Each episode will feature stories of courage and hope about people making a difference on every level, from the personal, to the professional, to the national stage, these ordinary people may just make the day of a stranger a little brighter or they could change the world. Through reenactments and interviews we will get to know these hometown heroes and what motivates them to do well and help their fellow humans.
