Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	La Abeja Maya is an entertaining preschool series that furthers the educational and informational needs of children by promoting the social and emotional goals of independence, empathy, and diversity. The series also serves the cognitive and intellectual needs of children by teaching them about biodiversity and the importance of protecting nature. The main character, Maya, is a free spirit with a curious demeanor and fondness for discovery. With her eagerness for adventure, she lives free in the meadow, because the world is just too big and too fascinating to stay in the bee hive. Through Mayas open-mindedness, children learn to foster their curiosity and to accept and respect others. On her way through the meadow Maya and her many friends teach children valuable lessons about supporting the weak, learning from each other and appreciating different perspectives on life.
