Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	LA ABEJA MAYA (Maya the Bee) is an entertaining preschool series that furthers the educational and informational needs of children by promoting the social and emotional goals of independence, empathy and diversity. The series also serves the cognitive and intellectual needs of children by teaching them about biodiversity and the importance of protecting nature. The main character, Maya, is a free spirit with a curious demeanor and fondness for discovery. With her eagerness for adventure, she lives free in the meadow, because the world is just too big and too fascinating to stay in the bee hive. Through Mayas open-mindedness, children learn to foster their curiosity and to accept and respect others. On her way through the meadow, Maya and her many friends teach children valuable lessons about supporting the weak, learning from each other and appreciating different perspectives on life.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	NINAS WORLD is an animated show based on a six-year-old Latina, who lives in San Antonio, Texas with her parents, who own the local bakery, and her Abuela (grandmother). Her Tio (Uncle) Javier lives nearby and there are lots of different children and adults from several different cultures in the apartment complex and neighborhood where she lives. Ninas best friend is Star, a stuffed starfish pillow character brought to life by Ninas imagination. Each episode features Nina taking on a challenge, solving a problem, or finding a way to help others. She is very confident about her abilities, which sometimes gets her into trouble. However, with encouragement and chiding from Abuela, Nina learns about how to plan her work, take responsibility for her actions, and correct her mistakes.
