| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Calimero is an animated series about a black chick born to a family of yellow chickens. The cartoon, based on the classic Italian character created in the 60's features Calimero hanging out with his "special" friend Priscilla and his friends Piero and Valeriano. Together they go to school, learn new things, and have adventures together in the town of Bellagio. The close friends readily express their loyalty to each other even if they have different personalities. Meanwhile, issues like bullying, problem solving and even sexism, are dealt with in Calimero in ways that are easy to understand for small children. This contemporary installment of the retro classic, which has aired all over the world in various languages, sends the message that being different is not a bad thing. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Calimero is an animated series about a black chick born to a family of yellow chickens. The cartoon, based on the classic Italian character created in the 60's features Calimero hanging out with his "special" friend Priscilla and his friends Piero and Valeriano. Together they go to school, learn new things, and have adventures together in the town of Bellagio. The close friends readily express their loyalty to each other even if they have different personalities. Meanwhile, issues like bullying, problem solving and even sexism, are dealt with in Calimero in ways that are easy to understand for small children. This contemporary installment of the retro classic, which has aired all over the world in various languages, sends the message that being different is not a bad thing. |
