Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	KMPH-CD continued to serve the educational, informational, and social needs of children throughout the 4th Quarter 2017 through extensive broadcast and outreach activities. The station has continued to air PSAs for local and national organizations serving the interests of children and families, including The USA Swimming Foundation Campaign, "Learn to Swim featuring Olympic Gold Medalist Missy Franklin,, highlighting the importance of children learning to swim; The Partnership for Drug-Free Kids Campaign 2017 "Awkward Silence" informing parents and families where they can find help, resources and support for their child's substance abuse; The Ad Council College Access Campaign, "Major Keys" which encourages low income and minority students to get motivated and enroll in college; The Ad Council Childhood Asthma Attack Prevention Campaign "Fish" which motivates parents of asthmatic children to learn how to prevent asthma attacks and avoid the emergency room. We also have presented stories in our newscasts highlighting children's issues, including a report warning for pregnant women about the dangers of air pollution on an unborn child citing a study finding mothers who are exposed to air pollution during pregnancy may have children with negative health consequences later in life, including aging faster; The danger posed to Central Valley children from the 22 wildfires burning in the state; and the construction of a Career Technical Education Charter High School (CTEC) offering project-based classes to area students for college credit and industry certifications. The station continues to offer tours of our facility to local schools to show where and how the news is produced, and to answer questions on what skills are needed to work in the industry, including education. The station's on-air talent maintains an extensive schedule with community groups and schools.
