Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children,has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. IMPORTANT NOTE: On 2/15/18, MULTIMEDIA HOLDINGS CORPORATION acquired ownership of KFMB TV from Midwest Television, Inc.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chronicling the adventures of Dr. Chris Brown, DR. CHRIS PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational needs of children,has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. <p>Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.</p>	<p>KFMB TV airs a number of Public Service Announcements, other than those listed elsewhere in this report, which serve the educational and informational needs of children 16 years of age and under. Organizations /topics include: drug/alcohol prevention tips targeting children and teens and crime prevention, environmental protection and violence prevention and literacy. In addition, the station airs a variety of local and network news and public affairs programs. These generally present a mix of local, regional, state, national and international news plus weather, sports, health, educational and features. In the station's judgement, certain portions of these news programs can further the development of the cognitive or intellectual needs of older children. In addition, KFMB TV has a variety of year-round, on-air and outreach projects targeting children. 1) ADOPT 8 - KFMB TV partners with San Diego County Health and Human Services to find forever homes for children in the San Diego County Foster System. KFMB TV airs weekly profiles on children who are currently in the Foster Care System waiting to be adopted, along with Public Service Announcements. While the "on air" stories and PSAs target adults, the ultimate goal of the project is to help "hard to place" children find their forever families. Since the program's inception in 1999, more than 1000 plus Adopt 8 foster children have been placed in "forever families." In addition, San Diego County Health and Human Services has placed other children in permanent homes as a result of the Adopt 8 "on air" awareness campaign. San Diego County Health and Human Services sponsors this project. 2) EARTH 8- KFMB TV partners with Birch Aquarium at the Scripps Institution of Oceanography at University of California, San Diego to educate the community about care and stewardship of the planet. Earth 8 includes news segments with leaders in research and conservation and monthly in-depth, filed produced stories. Topics have included: water conservation, climate change; earth friendly tips; stewardship; gray whales; air quality; endangered sea and animal life. KFMB TV also airs a variety of Public Service Announcements to educate children and adults on caring for our planet. Earth 8 also hosts various environmental outreach products during the year for youth and adults. Earth 8 Website contains a section for children educating them on the ways to help protect the environment. 3) INNOVATE 8 was created to inspire interest and success in STEAM (Science, Technology, Engineering, Arts and Mathematics) learning, KFMB TV Community Services Department created Innovate 8 a partnership with the San Diego County Office of Education and sponsored by the University of California, San Diego. Innovate 8 highlights county-wide educational programs fostering STEAM education and profiles San Diego students' STEAM success. Currently the U.S. Department of Education and the San Diego County Office of Education, which services every public school district, K-12 in San Diego County have target STEAM learning as a critical initiative to raise interest and student achievement in the areas of science, technology engineering, arts and math. These reports air bi-monthly and are posted on cbs8.com/Innovate8. In addition, KFMB-TV produces and airs public service announcements on STEAM learning and promotes STEAM outreach events for elementary through high school students. KFMB-TV hosts station tours and career seminars for elementary, high school and college students to inform students on how STEAM skills are utilized in broadcast careers . This quarter KFMB TV aired TV announcements encouraging students to register for Innovate 8 San Diego Padres Education Day on April 5, where News 8 Meteorologist Matt Baylow will present lessons on broadcast meteorology and climatology with presenters from Scripps Institution of Oceanography and the National Weather Service. Presenters will also discuss the importance of STEAM learning. 5) Broadcast Educational Development: KFMBTV anchors/reporters/behind-the-scenes personnel participated in school career/education days throughout the county. KFMB TV also conducts station tours for elementary, middle, high school and college students. During this quarter, KFMB TV staff participated in appearances to discuss broadcasting careers, educational background and dynamics of the broadcast industry.</p>
