<b>Digital Core Program (5 of 25)</b>		<b>Response</b>
Program Title	Aqua Kids	
Origination	Syndicated	
Days/Times Program Regularly Scheduled	Mon: 7-7:30AM; Sat. and Sun.: 7AM	
Total times aired at regularly scheduled time	38	
Total times aired	38	
Number of Preemptions	0	
Number of Preemptions for other than Breaking News		
Number of Preemptions Rescheduled	0	
Length of Program	30 mins	
Age of Target Child Audience	13 years to 16 years	

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Aqua Kids provides CORE programming in the area of biology and specifically the ecosystem related to the ocean, its tributaries and estuaries. Children can learn about the resources of the oceans and how protection of oceans is necessary to present and future generations. Not only does the show teach biological topics, but it aims to enrich children's lives by making them aware of future generations, the role they play now, and for generations into the future, with the biggest ecosystem on earth-the oceans. Each episode provides information related to a specific topic and gives an educational approach to understand the topic related to the entire ecosystem of the earth. Aqua Kids provides kids with a way to learn about the diversity of marine animals around the world and the importance of preserving their fragile aquatic habitats. Through the use of hands-on collaboration between kids and science researchers and educators, Aqua Kids encourages children to take an active role in protecting the future of their communities and the world.

Age of Target Child Audience	8 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Zoo Diaries is a Canadian documentary television series airing on Life Network. The series documents the live of animals and people at a zoo with a record of breeding endangered species. 74 episodes have been produced since 2000 by DocuTainment Productions. Each episode opens with a brief description of the show's contents. Events in the life of three or four animals are shown, cutting between stories every couple of minutes. Each story focuses on an animal in an interesting situation, and the zoo person responsible for handling the situation. Some situations are resolved over a number of episodes, for example, developing and performing an animal show designed to startle the audience. Topics vary from birth to death. The series is candid about the zoo employees' behavior and opinions.

Age of Target Child Audience from	13 years to 16 years
-----------------------------------	----------------------

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Aqua Kids provides CORE programming in the area of biology and specifically the ecosystem related to the ocean, its tributaries and estuaries. Children can learn about the resources of the oceans and how protection of oceans is necessary to present and future generations. Not only does the show teach biological topics, but it aims to enrich children's lives by making them aware of future generations, the role they play now, and for generations into the future, with the biggest ecosystem on earth-the oceans. Each episode provides information related to a specific topic and gives an educational approach to understand the topic related to the entire ecosystem of the earth. Aqua Kids provides kids with a way to learn about the diversity of marine animals around the world and the importance of preserving their fragile aquatic habitats. Through the use of hands-on collaboration between kids and science researchers and educators, Aqua Kids encourages children to take an active role in protecting the future of their communities and the world.

Origination Syndicated

Days/Times Program Regularly Scheduled Mon - Sun: 3:30-4PM

Total times aired at regularly scheduled time 91

Length of Program 30 mins

Age of Target Child Audience from 8 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming. Zoo Diaries is a Canadian documentary television series airing on Life Network. The series documents the live of animals and people at a zoo with a record of breeding endangered species. 74 episodes have been produced since 2000 by DocuTainment Productions. Each episode opens with a brief description of the show's contents. Events in the life of three or four animals are shown, cutting between stories every couple of minutes. Each story focuses on an animal in an interesting situation, and the zoo person responsible for handling the situation. Some situations are resolved over a number of episodes, for example, developing and performing an animal show designed to startle the audience. Topics vary from birth to death. The series is candid about the zoo employees' behavior and opinions.
