Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a great understanding of nature and specific animal species with the aid of up close and detailed photography throughout the program. Through this understanding it is hoped that viewers will better relate to the natural environment as it exists in North America and learn to protect North America's animal species. This program aired on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hosted by Pat Summerall, this program takes viewers coast-to-coast and in-depth with the brightest young athletes in sports. The series profiles high school athletes who have overcome personal adversity to pursue their dreams. The athletes are recognized for their classroom achievements, as well as their contributions in extracurricular activities. The importance of dedication, discipline, commitment to academics, and community involvement are spotlighted as part of the athletes' success. The stories strive to inspire viewers to pursue knowledge and a healthy, active lifestyle, despite any personal difficulties. This program aired on the station's third digital stream; 25.3.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program showcases the hard work and dedication required to be a true sports star. Chronicled are the trials and tribulations of young athletes as they strive to become top level performers in the sports arena. This program helps viewers realize that with hard work and determination, their goals in life and on the playing field are attainable. Key values such as dedication, discipline, commitment and community involvement are reinforced in each episode. The program also provides in-depth stories that reveal the important challenges and lessons that mold young athletes. Through these stories, viewers learn that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout their lives. This program aired on the station's third digital stream; 25.3.

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Cece Smith
Address	1228 E. Wilshire Blvd
City	Oklahoma City
State	OK
Zip	73111
Telephone Number	(405) 843-2525
Email Address	csmith@sbgvtv.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	<p>1/12: OKC Winter Special Olympics-Jeff George was the emcee of this event; introducing awards and interviewing special guests. 1/16: Several news anchors helped serve dinner and clean up at the Salvation Army downtown; visiting with patrons and families. 1/29: Jeff George visited Mark Twain Elementary as part of the Future Forecasters program. This allows children to learn about meteorology and weather safety with an interactive presentation and homework assignments. 2/7: Crutcho School Tie Day-Crutcho Elementary is an inner-city school where the students struggle in many areas of their life. Jeff George and other volunteers gathered in the gymnasium, donated ties and showed the young students how to tie different knots and dress for success, while discussing their roles in the community and inspiring the boys to set and reach their goals. 2/16: Special Olympics Oklahoma Unified Basketball Tournament at Cox Convention Center-Jeff George participated in a 3 on 3 game with other local media participants and Special Olympic Athletes. 2/27: Jeff George visited Spencer Elementary as part of the Future Forecasters program. This allows children to learn about meteorology and weather safety with an interactive presentation and homework assignments. 3/3: ALA Fight for Air Climb-Jeff George was the local spokesperson for this fundraiser that benefits research for the American Lung Association. The FOX25 team was a top ten fundraiser. 3/10: The weather team and storm trackers attended and presented at the Severe Weather Expo at Penn Square Mall.. Jeff George, Marcy Novak and Carlo Falco performed weather experiments for the children. The "mad scientist" assisted with the experiments and the children could record their own weathercasts on the green screen. The FOX25 Drone was on hand for demonstrations. 3/15: Jeff George visited Spencer Elementary as part of the Future Forecasters program. This allows children to learn about meteorology and weather safety with an interactive presentation and homework assignments. KOKH aired the following public service announcements geared towards children and teens; St. Jude Children's Hospital, Ad Council Bully Prevention, Ad Council Hunger Prevention, Project Roadblock/Anti Drinking and Driving, Recycling, ODOT/Distracted Driving, Jon Bon Jovi Soul Foundation (affordable housing for families), Partnership for Drug Free Kids, OBHA Mental Health, and Stafford Air &amp; Space Museum.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Host Philippe Cousteau (grandson of famed undersea explorer Jacques Cousteau) brings energy to every location he visits while seeking to inspire and educate viewers in earth sciences. This program takes an in-depth look at the unique and distinct features on planet Earth, from magnificent mountains to erupting volcanoes. Viewers will not only behold the beauty of gigantic glaciers, but also discover why they formed and how they shaped our landscape. Geological experts share their wisdom with Philippe, as he strives to understand places on, inside, and above the Earth. This program will air on the station's main digital stream.

Program Title	Xploration Weird But True
Origination	Syndicated
Days/Times Program Regularly Scheduled	Sunday: 4/1-6/24/18, 7:00am
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	In this program, Charlie and Kirby explore a new topic each week to uncover the "Weird But True" science at play all around us. With a mix of graphics and handmade art, this series is fun, playful and educational. For instance, in the first episode, our hosts are curious to learn about asteroids - and so they set off to explore the biggest meteor crater in the U.S. and meet a real-life meteorite hunter. They also try their hand at tracking down space rocks. Along the way, they discover that meteor crash sites can turn into quicksand! Charlie and Kirby inspire teens to question the HOW and WHY behind the way our world works, and encourage them to discover answers to their most curious questions. This program will air on the station's main digital stream.

---

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

This program showcases the hard work and dedication required to be a true sports star. Chronicled are the trials and tribulations of young athletes as they strive to become top level performers in the sports arena. This program helps viewers realize that with hard work and determination, their goals in life and on the playing field are attainable. Key values such as dedication, discipline, commitment and community involvement are reinforced in each episode. The program also provides in-depth stories that reveal the important challenges and lessons that mold young athletes. Through these stories, viewers learn that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout their lives. This program will air on the station's third digital stream; 25.3.
