Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Early and middle adolescence is an exciting yet a challenging period in one's life. Adolescents across the demographic spectrum and from all walks of life grapple with a number of pivotal but normal developmental milestones, such as preparing for more independence and responsibility, and experiencing change in relationships with family and peers. With increased self-reliance, young people make more of their own choices. And all the while, one cannot overlook that they grow in a dynamic, diverse, and complex world that offers both opportunities and social challenges. The goals of the series are to encourage the 13- to 16-yearold audience to: (1) explore, discover, and learn strategies to achieve personal dreams; (2) learn about the personal attributes important for achieving dreams; (3) explore ways one can "give back" to the community and act as an agent of change; and (4) gain knowledge about life skills necessary to "Live Life and Win."

Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Early and middle adolescence is an exciting yet a challenging period in one's life. Adolescents across the demographic spectrum and from all walks of life grapple with a number of pivotal but normal developmental milestones, such as preparing for more independence and responsibility, and experiencing change in relationships with family and peers. With increased self-reliance, young people make more of their own choices. And all the while, one cannot overlook that they grow in a dynamic, diverse, and complex world that offers both opportunities and social challenges. The goals of the series are to encourage the 13- to 16-yearold audience to: (1) explore, discover, and learn strategies to achieve personal dreams; (2) learn about the personal attributes important for achieving dreams; (3) explore ways one can "give back" to the community and act as an agent of change; and (4) gain knowledge about life skills necessary to "Live Life and Win."
