**Digital Core
Programming**

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Digital Core Program (1 of 14)	Response
Program Title	Lucky Dog
Origination	Network
Days/Times Program Regularly Scheduled	Saturday/ 9am & Sunday/7am (4/1/18-6/30/18)
Total times aired at regularly scheduled time	26
Total times aired	26
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Animal trainer, Brandon McMillan operates a training facility known as the Lucky Dog Ranch where his mission is to rescue hard-to love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the theme of rescuing these animals from death and providing a second chance for life. In order to accomplish his goal, McMillan must investigate what each animal needs to find the appropriate method to retrain them so that they will make welcome members in a family. Through watching his interaction with these animals, the viewer is encouraged to be sensitive to our own and other's behavior as well as showing how we as individuals can make a difference. This program aired on the main digital stream.</p>
Does the Licensee identify the program by displaying throughout the program the symbol E/I?	Yes

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Matthew Diehlmann
Address	2000 West 41st St
City	Baltimore
State	MD
Zip	21211
Telephone Number	(410) 662-1439
Email Address	mcdiehlmann@sbgvtv.com

<p>Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.</p>	<p>During the second quarter, KFDM addressed the educational and informational needs of children through a variety of programming, outreach activities, and sponsorships of local childrens events and fund raisers. We partnered with the Gulf Coast Marrow Donor Association Miracle Match for Life, the Julie Rogers Gift of Life and LifeShare Blood Centers in a golf tournament raising donations to help cure life threatening blood cancers. KFDM News anchor hosted Champagne and Ribs, a community fundraiser honoring Southeast Texans who have given their time and money to support Dont Smoke Your Life Away, an anti smoking campaign targeted at young people. KFDM is an active partner in Dont Smoke your Life Away, a local program designed to prevent tobacco usage before it starts. The program also encourages current smoking adolescents and adults to quit. KFDM Investigative Reporter Angel San Juan and News anchor Greg Kerr talked to kids, colored the weather and took pictures at KidFest, a partnership with iHeart Media. The Lumberton Girl Scouts and the Silsbee High School Video Technology class were guests of KFDM KBTV, toured the station, learned about the chromakey, and met with anchors, reporters, and meteorologists. They stayed to watch a newscast from both the studio and the control room, witnessing what happens behind the scenes. Eight year old Brett Rodriguez was treated to a station tour for his birthday. He and his friends learned about television, and met with KFDM FOX 4 anchors Tiffany Murphy and Greg Kerr. We included a Color the WX contest in our Hurricane Preparedness program, to further involve children in hurricane awareness and safety. We featured children in our promotion where children are VIPs. KFDM continued its commitment to children in Southeast Texas as a partner in various fund raising and community service projects. News Anchor Tiffany Murphy, along with 6 year old Eloise, promoted and attended the Heart Ball and Go Red For Women Luncheon, in support of the American Heart Association. We produced a series of PSAs encouraging children to get active, and learn new team skills at a basketball camp, headed by the Lamar University Mens Basketball Coach. We have a Health Matters segment and a Medical Mondays on THE MORNING SHOW and a LIVE WELL segment which addresses health issues which sometimes pertain to children. KFDM News Anchor Tiffany Murphy spoke to 70 high school students at the Bob Hope Charter School Campus in Port Arthur, TX. Bob Hope provides at risk students the opportunity to be develop higher level thinking skills and develop independent learning strategies. Meteorologists Dana Melancon visited local elementary schools as part of science days and career days. Meteorologist Dana Melancon accepted an award from the Spindletop Rotary Club for his dedication to the annual Soap Box Derby racing event, open to children of all ages. KFDM partnered with Creative Corrections Education Foundation and provided air time to encourage children of incarcerated men and women to stay of jail themselves. KFDM partnered with the Boys Haven Crawfish Festival to raise funds to support Boys Haven, a live in facility for troubled youth. We included a Color the WX contest in our Hurricane Preparedness program, to further involve children in hurricane awareness and safety. We continue airing public service announcements alerting children to the dangers of texting and driving, Feed America, the dangers of diabetes, car seats, and financial literacy. In addition, we run public service for Boys and Girls Clubs, the YMCA programs, immunizations, hunting safety, sharing, Save Our Children, autism awareness, Make a Wish foundation, the March of Dimes, and other organizations focused on children.</p>

Response

Program Title	The Re-Inventors
Origination	Network
Days/Times Program Regularly Scheduled	Saturday/ 10:30am (7/1-9/30/18)
Total times aired at regularly scheduled time	13

Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Over more than 500 years, tens of millions of patents for products have been issued, but some are lost to history, and most don't achieve the success of, say, the telephone. Hosts Matt Hunter and Jeremy MacPherson dig up some of those of yore to see how the ideas would fare in the modern world. The guys work with a team to examine original blueprints, build prototypes and test the inventions to see how well they work. Some that the hosts want to tackle are a submarine from the late 1500s, a 14th-century machine using wind power to propel a wagon, and a 1950s design combining a Ford Thunderbird with airplane parts to make a flying car. This program will air on the tertiary digital stream (6.3).
