**Digital Core  
Programming**

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Teen Kids News is a weekly news program that provides educational and informational programming to kids in a manner that is compelling as well as highly entertaining. It is designed to appeal to the audience on its own level. The focus of the program is young people, always letting them tell their stories in their own words. The young, ethnically diverse news anchor team reports from a professional news set and from the field on stories of interest and educational value to its own audience. They provide positive role models for kids who identify with and emulate them. It inserts the clear voice of the kid into the adult-dominated media and provides a unique perspective to the news that is not currently available on network TV. Teen Kids News meets the needs of children by promoting the value of being an informed citizen, exploring careers which inspire kids to stay in school, and building a strong vocabulary by explaining definitions of words. It also provides parents, teachers and children a springboard for discussions about current events and issues. Main Digital Channel.

## Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526 (e)(11)(iii)?	Yes
Name of children's programming liaison	Teri Hernandez
Address	3801 Carlisle NE
City	Albuquerque
State	NM
Zip	87107
Telephone Number	(505) 837-6801
Email Address	thernandez@hearst.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	<p>On April 21, 2018, core programs Sea Rescue, Wildlife Docs, Rock the Park, and Vacation Creation with Tommy Davidson and Andrea Feczko were preempted from their regularly scheduled times at 10 am, 1030 am, 11 am, and 1130 am, respectively, to air breaking news coverage of the funeral proceedings of former First Lady and American icon Barbara Bush. The late-breaking nature of her passing and scheduling of her funeral service were beyond the control of the station and made it impracticable for the station to reschedule these shows in their second homes. However, the station was able to reschedule these shows later that same day (April 21), at 3pm, 330pm, 4pm, and 430pm, respectively. KOAT airs AD COUNCIL public service announcements during Children's Programming and other Public Service Announcements during different dayparts. Education topics include staying in school, reading programs, energy conservation, parental involvement and health-related announcements. Other announcements focus on children's health issues such as tips on obesity, skin cancer prevention, dental hygiene, pre-natal care, child abuse prevention, seat belt safety for children, and fire safety. KOAT's community outreach campaigns are designed to address the issues affecting New Mexico's youth. The campaigns deliver positive, action-oriented messages and reports, stressing what each adult, as a parent, neighbor, or member of the community, can do to help children overcome the obstacles that inhibit their growth and learning potential. Our news department regularly covers stories targeting parents and their children. Community outreach projects include KOATs for Kids, which provides the community an opportunity to participate in donating coats for thousands of children all over New Mexico, and KOAT School Supply Drive, a school supplies drive providing pencils, paper and folders to children who cannot afford them. One or more episodes of children's programming that was preempted during the quarter was not rescheduled. The Digital Core Programming Summary section of this report would not permit the station to include preemption reports for such unrescheduled preemptions, and FCC Staff has advised that no preemption report for such unrescheduled episodes is necessary.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Rock the Park is a weekly half-hour series produced and designed to educate and inform children 13 to 16 years of age and that taps into to America's love affair with our National Parks. In this awe-inspiring and entertaining series, our hosts, Jack Steward and Colton Smith, come face to face with nature and some of the most amazing places on earth. Viewers will witness the fascinating underwater world of Dry Tortugas National Park in Florida, which is home to the world's most unique coral and marine life. They will watch as Jack and Colton raft their way through Alaska's remote Aniakchak National Monument and Preserve, spotting the region's famous brown bears. Viewers will reach new heights as Jack and Colton embark on their biggest climbing challenge yet at Wyoming's Grand Teton National Park. Main Digital Channel.
