Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Series introducing viewers to some of the most incredibly talented young people in America. But it is more than a showcase for kids with exceptional talent and athleticism. It is about teenagers who have built character through their struggles with cancer or death of a loved one. It is about kids who have come face-to-face with drug abuse and peer pressure without losing their focus on their goal. Through interviews and profiles, these remarkable young people provide honest answers about how they dealt with adversity in their lives. Each half-hour program includes three segments featuring the personal stories of outstanding young people. It is a program that encourages young people to see beyond their own circumstances and realize they are not alone in their struggles. It is a program that instills confidence in teenagers who are reaching for their own dreams. It is a program that delivers a strong message of hope and optimism for the future of Americas youth. Recognizing that 13 to 16-year-olds are likely to be influenced by celebrities, the series features role models from the professional sports and the entertainment industries. Each episode is engaging, entertaining and educational in structure, presenting a powerful and positive message.

Age of Target Child Audience	13 years to 16 years	

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillans investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commissions rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chronicling the adventures of Dr. Chris Brown, DR. CHRIS PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commissions rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	PET VET DREAM TEAM is a live-action, half-hour television program that follows talented veterinarians Dr. Lisa Chimes and Dr. Andrew Marchevsky of the Small Animal Specialist Hospital (SASH), where they deal with compelling cases of infirm and injured pets. Viewers also see exotic animal expert Tim Faulkner in action at the Australian Reptile Park, where he cares for animals big and small, from crocodiles to koalas. Together, these three authorities race to cure their furry and feathered charges educating viewers on a range of medical procedures and zoological practices along the way. As viewers catch a behind the scenes look at the veterinary profession, they also learn responsibility and empathy for animals of all kinds through the passionate work of the PET VET DREAM TEAM. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commissions rules.

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chronicling the adventures of Dr. Chris Brown, DR. CHRIS PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commissions rules.

---

Does the program have educating and informing children ages 16 and under as a significant purpose?

Yes

---

Does the Licensee identify the program by displaying throughout the program the symbol E/I?

Yes

---

Does the Licensee provide information regarding the program, including an indication of the target child audience, to publishers of program guides consistent with 47 C.F.R. Section 73.673?

Yes

---

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	<p>MULTICAST CHANNEL - This TV (KGMBs dot 2 on Channel 5.2): Station airs This TV programming as a "pass through" and utilizes a "Playbox" to delay the East Coast schedule by 6 hours to allow childrens programming (E/I) to air within the appropriate time period window (7am-10pm, Hawaii time). MULTICAST CHANNEL - ESCAPE TV (KGMBs dot 3 on Channel 5.3): Effective 10-31-14, ESCAPE TV was launched. Station airs ESCAPE TV programming as a "pass through" and utilizes a "Playbox" to delay the East Coast schedule by 6 hours to allow childrens programming (E/I) to air within the appropriate time period window (7am-10pm, Hawaii time). 2nd QUARTER 2018 NOTES: On Saturday, 05-19-18, KGMB News scheduled coverage of the LIVE news coverage of the United States Senator Daniel Akaka Memorial Service from 2:00pm to 3:00pm preempting THE REAL WINNING EDGE 1 at 2:30pm (E/I home) which was then rescheduled to its second home on Monday, 05-21-18, at 11:00am. Promotional efforts were made ahead of time to alert viewers to the rescheduled episode. The LIVE breaking news coverage ran over by one hour which then preempted LUCKY DOG 1 (scheduled at 3:00pm) and DR. CHRIS PET VET (scheduled at 3:30pm). KGMB made best efforts to reschedule these episodes and have listed them on the report under Non-Core Educational Programming Summery. On Sunday, 05-20-18, the LIVE CBS SPORTS coverage of the AT&amp;T Byron Nelson Championship experienced a 4-hour rain delay resulting in the preemption of LUCKY DOG 2 at 3:00pm. This episode was rescheduled in its second home on Saturday, 05-26-18, at 2:00pm. Because of the LIVE preemption, there was no opportunity to promote the rescheduled episode.</p>

Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Series introducing viewers to some of the most incredibly talented young people in America. But it is more than a showcase for kids with exceptional talent and athleticism. It is about teenagers who have built character through their struggles with cancer or death of a loved one. It is about kids who have come face-to-face with drug abuse and peer pressure without losing their focus on their goal. Through interviews and profiles, these remarkable young people provide honest answers about how they dealt with adversity in their lives. Each half-hour program includes three segments featuring the personal stories of outstanding young people. It is a program that encourages young people to see beyond their own circumstances and realize they are not alone in their struggles. It is a program that instills confidence in teenagers who are reaching for their own dreams. It is a program that delivers a strong message of hope and optimism for the future of Americas youth. Recognizing that 13 to 16-year-olds are likely to be influenced by celebrities, the series features role models from the professional sports and the entertainment industries. Each episode is engaging, entertaining and educational in structure, presenting a powerful and positive message.

Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillans investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commissions rules.
