| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | PET VET DREAM TEAM is a live-action, half-hour television program that follows talented veterinarians Dr. Lisa Chimes and Dr. Andrew Marchevsky of the Small Animal Specialist Hospital (SASH), where they deal with compelling cases of infirm and injured pets. Viewers also see exotic animal expert Tim Faulkner in action at the Australian Reptile Park, where he cares for animals big and small, from crocodiles to koalas. Together, these three authorities race to cure their furry and feathered charges - educating viewers on a range of medical procedures and zoological practices along the way. As viewers catch a behind-the-scenes look at the veterinary profession, they also learn responsibility and empathy for animals of all kinds through the passionate work of the PET VET DREAM TEAM. This program is specifically designed to further the educational and informational needs of children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. |
