Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Health & Happiness is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Health & Happiness is a series about how simple lifestyle changes can make a huge difference in our health, well-being, and even attitude. Host Joy Bauer, leading nutrition expert and influencer, dishes out helpful strategies on forming healthy eating habits, and co-host Vivien Williams brings science and innovation to the table on living a healthier and happier life. With the help of medical experts from Mayo Clinic, each week our hosts will educate viewers on a variety of topics that will not only teach teens and their families how to make better choices when it comes to healthy living, but may even inspire new daily activities that promote better wellness. As teen viewers reach an age when they begin to make more of their own lifestyle choices, this series will help them form healthy habits that are critical to inspiring a lifelong interest in living well.
