Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	One or more episodes of children's programming that was preempted during the quarter was not rescheduled. The Digital Core Programming Summary section of this report would not permit the station to include preemption reports for such unrescheduled preemptions, and FCC Staff has advised that no preemption report for such unrescheduled episodes is necessary. In addition, on September 1, 2018, core programs Voyager with Josh Garcia, Wilderness Vet and Journey with Dylan Dreyer were preempted from their regularly scheduled times of 10am, 1030am, and 11am, respectively, to air breaking news coverage of the funeral proceedings of American hero and Senator John McCain. The late-breaking nature of his passing and scheduling of his funeral service were beyond the control of the station and made it impracticable for the station to reschedule these episodes. Finally, the station aired a special "mini-marathon" of Core Program "Animal Exploration" on August 19, 2018, in an effort to generate additional viewer interest in this program.
