Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer, Brandon McMillan operates a training facility known as the Lucky Dog Ranch where his mission is to rescue hard-to love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the theme of rescuing these animals from death and providing a second chance for life. In order to accomplish his goal, McMillan must investigate what each animal needs to find the appropriate method to retrain them so that they will make welcome members in a family. Through watching his interaction with these animals, the viewer is encouraged to be sensitive to our own and other's behavior as well as showing how we as individuals can make a difference. This program airs on the station's main digital stream.

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hope in the Wild is a live action, half-hour television program that follows Hope Swinimer and her dedicated team as they rescue and rehabilitate injured and orphaned animals of all kinds. Hope's passion for wildlife conservation shines through everything she does to lead her team on their mission to care for and return each animal to the wild. From the pressure of saving an animal in critical condition to the joy in witnessing its victorious return home, Hope in the Wild will educate viewers on the day-to-day jobs of this animal care team and the species they encounter. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. This program airs on the station's main digital stream.
