| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Animal Exploration with Jarod Miller is a half-hour live action television program designed to meet the educational and informational needs of children. Each week Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether it's the need for speed or animal heroes - there's always something amazing happening. Filled with energy, youth and humor, Jarod is a welcome visitor in living rooms around America on a weekly basis. It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and pro-social values within an environmentally responsible universe. This program is regularly scheduled between the hours of 7:00 AM and 10:00 PM. The program is 30 minutes in length, and identified as an educational and informational show. |
