Length of Program	30 mins
Age of Target Child Audience	8 years to 12 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The series Zoo Clues will keep 13-16 year-old viewers engaged for 30 minutes with the nearly infinite visual richness, animal characteristics, and wild range of animal behaviors. Beyond its target audience, both older and younger audiences should find this look across the amazing world of animals fascinating. Beyond basic engagement, Zoo Clues will leave viewers with a meaningful perspective about animals and meaningful comparisons to their own human characteristics. The variety of the animal kingdom is truly odd and bizarre enough to read like fiction, but the clever narration of Zoo Clues links disparate information together in a way that always makes clear that what viewers see is real, natural, and relates to their own life in the real world.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Skooled features teenage students and classroom teachers trading roles with each other. The series explores a unique perspective, students teaching teachers. Both students and teachers better understand what it means to be the other. The students prepare lessons for their teachers and discuss as a group the appropriate grade for each teacher. The teen students learn how difficult it is for teachers today while teachers get a lesson in being students. This unusual role reversal teaches kids and adults important differences and each episode addresses concerns each has with the other.
