Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Swap TV is a fun, fast-paced documentary television program for tweens and teens. Two kids swap lives for a full weekend to have fun and challenge themselves as they experience life's diversity firsthand. These "swappers" are not just kids with intense hobbies; they have unique and compelling lifestyles. We follow these kids through the anticipation, immersion, adaptation, and personal interpretations of their experiences. The swappers, and in turn the viewers, break down stereotypes, increase their social awareness and acceptance, satisfy their curiosities, and most importantly, have tons of fun along the way. The kids are unique, the switches outrageous, the tasks and challenges wacky and entertaining - all making for compelling programming.
