Digital Core	Question		Response
Programming	State the average number of hours of Core Programming per week broadcast by the station on its main program stream		in program 3.0
	State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream		by the 504.0
	-	State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	

Does the Licensee provide information identifying each Core Program aired on its station, including an indication Yes of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?

Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional Yes programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Emergency vet Dr. Lisa Chimes ventures out of the surgery room to raise awareness about animal welfare in this compassionate pet rescue series. Lisa's mission is to encourage potential pet owners to adopt rescue animals from shelters rather than support puppy mills or backyard breeders. With a combination of thoughtful concern and professional knowledge, Lisa attempts to match the countless four-legged friends that have been abandoned, neglected or simply lost, with new and loving homes. The heartwarming series not only gives animals a chance at a better life, it also gives their human counterparts the opportunity to receive affection and love from a faithful new friend.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Consumer 101 is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Hosted by Jack Rico with the help of experts and scientists from the Consumer Reports labs and testing facilities, Consumer 101 will give viewers a behind-the-scenes look into the science used to test every kind of product - from the obscure, to the fascinating, to the everyday. Each week, audiences will discover more about the surprising intricacy of product testing, learn more efficient ways to get the most out of everyday items, as well as catch a glimpse into a unique career path in the fields of science and technology. Consumer 101 is an empowering series aimed at giving teens the tools they need to make smarter choices as consumers, exploring the how, where, when, and why we spend our resources so we can all make educated decisions when it counts.

Email Address	Brian.Cliffe@newscentermaine.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	On November 3 we had weather-related technical difficult that disrupted the early morning feed of the regularly- scheduled e/i programs. We aired a set of 3-hours of children's e/i programming that was from the 3rd quarter line-up as an emergency substitute. The programs aired in their entirety but without the e/i symbol. We planned, promoted, and subsequently aired the correct programs in their second home (November 12, 13, & 14, 2-3pm). The November 3 broadcast has been noted in the "non-core" section of this report.

Program Title	Rescue Me with Dr. Lisa (broadcast on WCSH subchannel 6.3)
Origination	Network
Days/Times Program Regularly Scheduled	Saturday, 12:30pm
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Emergency vet Dr. Lisa Chimes ventures out of the surgery room to raise awareness about animal welfare in this compassionate pet rescue series. Lisa's mission is to encourage potential pet owners to adopt rescue animals from shelters rather than support puppy mills or backyard breeders. With a combination of thoughtful concern and professional knowledge, Lisa attempts to match the countless four-legged friends that have been abandoned, neglected or simply lost, with new and loving homes. The heartwarming series not only gives animals a chance at a better life, it also gives their human counterparts the opportunity to receive affection and love from a faithful new friend.
