| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This animated children's series transports two curious children and their robot, who, after accidentally discovering an antique book with magical power, find themselves caught up in adventure after adventure. In each episode, they are transported back in time, right in the middle of ancient, biblical stories. Children of all ages enjoy experiencing first-hand their favorite Bible adventures. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This animated children's series transports two curious children and their robot, who, after accidentally discovering an antique book with magical power, find themselves caught up in adventure after adventure. In each episode, they are transported back in time, right in the middle of ancient, biblical stories. Children of all ages enjoy experiencing first-hand their favorite Bible adventures. |
