Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	One or more episodes of children's programming that was preempted during the quarter was not rescheduled. The Digital Core Programming Summary section of this report would not permit the station to include preemption reports for such unrescheduled preemptions, and FCC Staff has advised that no preemption report for such unrescheduled episodes is necessary. In addition, on October 20, 2018, core programs "The Champion Within, " "Voyager With Josh Garcia," and "Vets Saving Pets," were preempted from their regularly scheduled times from 9:30am-11am to air coverage of the Baltimore Running Festival. On Saturday, October 27, "Consumer 101," "Naturally Danny Seo," and "Vets Saving Pets" were preempted from their regularly scheduled time of 11am-12:30pm in order to air breaking news coverage of a shooting at a synagogue in Pittsburgh. The late-breaking nature of this tragic event made it impractical for the station to reschedule programming.
