| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. |

Below is a list of other activities and special projects KFSM-TV is involved in; PSAs concerning kids that ran on KFSM-TV; and a list of schools and other organizations visited by KFSM-TV employees. KFSM-TV is involved in several special projects including: 5NEWS In School - A program where KFSM invites area schools to sign up through our website to have KFSM employees visit their school and talk to students about a career in broadcasting, weather, severe weather safety, etc. KFSM participates in the Partners in Education (PIE) program which establishes mutually beneficial relationships between businesses and schools. Over 100 local companies and businesses partner with area schools to mentor, provide services, equipment or whatever may assist in the educational goals of a particular school. KFSM is a Partner in Education to Darby Jr. High School in Fort Smith. KFSM donates used printer toner cartridges to Darby and they use the money to purchase equipment for the school (such as copiers, toner cartridges, etc.) and for educational field trips. We also provide emcees and judges for various school activities throughout the year. Backpack Buddies - KFSM teams up with Community Services Clearinghouse, Inc., to bring balanced meals to local kids through the Backpack Buddies program. The Clearinghouse supplies area residents with Meals for Kids food list so they can purchase individually sized packages of the suggested foods and donate them to the Clearinghouse who then provides the items to area kids who otherwise would not have enough to eat. KFSM helps Community Services Clearinghouse with various projects throughout the year. Pledge of Allegiance - A project where KFSM invited area schools and organizations to contact us about having their school or organization recite the Pledge of Allegiance which would then air during our morning newscast. News Producer Brittany Boyett is participating in a mentoring program through Fort Smith Public Schools. She is assigned a student and meets with them twice a month. The goal behind the program is to serve as a role model as well as helping to improve the student's academic performance, behavior and attendance. She is mentoring at Darby Junior High School. Sports Director, Bobby Swofford, was part of an Alumni Panel at the University of Central Arkansas in Conway on Wednesday, October 24, as they hosted a statewide communications day for students who want to go into the journalism field. This was a series of events that celebrates and promotes awareness of the important role communication plays in the professional and personal lives of every individual. Bobby is a Journalism graduate of UCA. Anchor Daren Bobb was word caller for the Beard Elementary School Spelling Bee on 12/14. Describe the educational and informational objective of the program and how it meets the definition of Core
Programming.

Chronicling the adventures of Dr. Chris Brown, DR. CHRIS PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Sports Stars of Tomorrow showcases up-and-coming young athletes whose talent and hard work are making them winners. Each episode includes a variety of news features that highlight the featured athletes' success in sports, as well as the hard work that's gotten them that far. Family members and coaches are introduced, too, allowing viewers to get a better idea of the many people involved in each athlete's achievement. Although the show focuses on the players' athletic prowess, and the awards and scholarships they've received because of their talents, it also presents these young athletes as regular kids, many of whom spend their time volunteering, tutoring children with learning disabilities, and even being elected prom queen. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
