Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Welcome Home follows hosts Rob and Treger Strasberg as they run a non profit dedicated to helping deserving families in transition by turning their house into a home with their motto, design with dignity and changing lives along the way. In each episode, we meet a family emerging from difficult circumstances as they finally move into a new living space to call their own. To help the family with their fresh start, Treger, Rob, and a dedicated team of designers and volunteers will transform the familys bare house into a warm home by using goods and services donated by people in the community. The new home will provide much needed stability to meet the family's specific needs, stimulate their interests, and promote their goals. Welcome Home is coproduced in partnership with BYUtv and will teach viewers the importance of giving back in their communities, to never give up when faced with a tough situation, and to have gratitude for the basic living necessities that we often take for granted.

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hosted by Phil Torres and coproduced by Hearst Originals, Ready, Set, Pet will educate and inform teens and their families about pet adoption, responsible pet ownership, and the importance of a green space for pets. In each episode, Phil will guide a family through the pet adoption process after a careful look at their unique situation to help them make an informed decision in finding the right pet for their lifestyle. While the family visits local shelters and rescues, experts revitalize their outdoor space to make a safe and ecofriendly home for their new pet. In the end, viewers will see family members overcome their disagreements and make the tough decision on which pet will join the family. Ready, Set, Pet will teach viewers that thoughtful preparation is key when learning to care for an animals needs.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Much of the food Americans eat is produced by farmers and ranchers in the country's heartland, but many children don't know how it's produced. "America's Heartland" provides information about the people and processes responsible for the availability of food and fuel across the country and around the world. The show's reporters and producers tell stories in topics that include farm families, consumer issues, animal welfare and crop sustainability. Children will learn about the production of the food and fuel they consume. Some episodes also take the show abroad to countries such as Egypt and Taiwan, to show the impact American agriculture has on the global economy.

Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e) (11)(iii)?	Yes
Name of children's programming liaison	Dan Buchholz
Address	4625 Farnam Street
City	Omaha
State	NE
Zip	68132
Telephone Number	(402) 554-4256
Email Address	dbuchholz@kxvo.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Except as disclosed below after due review of internal station records and documentation provided to us by program suppliers the licensee hereby certifies as follows (i) the educational and informational programs specifically designed for children twelve and under that the station broadcast this quarter are disclosed in this report and (ii) the licensee fully complied with the FCC's commercial limits in children's programs, as specified at 47 CFR Section 73.670. The licensee notes however that a program supplier has notified station personnel that during 8 episodes of the children's program Team Hot Wheels that aired between November 10, 2018 and December 16, 2018, the program supplier included a total of 11 commercials for Hot Wheels Super Ultimate Garage. The program supplier removed the commercial from the program immediately after discovery.

Program Title	(DT 2) America's Heartland
Origination	Syndicated
Days/Times Program Regularly Scheduled	Monday 8:00 AM
Total times aired at regularly scheduled time	12
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Much of the food Americans eat is produced by farmers and ranchers in the country's heartland, but many children don't know how it's produced. "America's Heartland" provides information about the people and processes responsible for the availability of food and fuel across the country and around the world. The show's reporters and producers tell stories in topics that include farm families, consumer issues, animal welfare and crop sustainability. Children will learn about the production of the food and fuel they consume. Some episodes also take the show abroad to countries such as Egypt and Taiwan, to show the impact American agriculture has on the global economy.
