Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chronicling the adventures of Dr. Chris Brown, DR. CHRIS PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>THE INSPECTORS is a scripted dramatic series set in Washington, DC inspired by compelling real cases handled by the United States Postal Inspection Service. In the series, Preston Wainwright (Bret Green), a determined young man who is thriving after being paralyzed in a car accident, works as an intern assisting his US postal inspector mom, Amanda (Daytime Emmy Award winner Jessica Lundy), to solve crimes that deal with everything from internet scams, identity and mail theft, to consumer fraud. In season four, Prestons dreams of walking again one day have taken a huge step toward reality. But the hard part has just begun, and his recovery becomes as mental as it is physical. Also, Preston and his friends, Veronica (Erica Marie Sanchez) and Noah (Harrison Knight), begin their senior year at Jamestown University and start to think about life after college. From their careers to their relationships, they will face major choices that will shape their destinies. THE INSPECTORS strives to educate young people about making the right choices in their daily lives, encourages open communication between teens and parents, and includes positive messaging regarding living with disabilities, overcoming challenges, beating the odds and the power of perseverance. Terry Serpico also stars. The United States Postal Inspection Service, the nations oldest federal law enforcement agency, serves as the shows official programming resource. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commissions rules.</p>

See 47 C.F.R. Section 73.671, NOTES 2 and 3.	October 27 - CBS provided network breaking news coverage of Pittsburgh Synagogue shooting from 11:33:03 - 11:34:31 and 11:50:02-12:01:30. Breaking news resulted in some of The Inspectors (episode # 4183) being preempted/clipped by this breaking news. October 27, 2018 - Due to an error in programming provided directly from the GRIT network at 12:30PM, episode 304 of Rock the Park aired without the required E/I graphic. As a result, we did not include the October 27 run of Rock the Park episode 304 in our core E/I totals. Rock the Park episode 304 ran again in its second home on November 3 at 1:00PM with the E/I graphic, and that run is included in the core E/I programming. November 17 Bounce network (5.2) changed lineup replacing Vacation Creation (Saturdays 11A) with Game Changers until further notice. Crawls aired in advance promoting the change.

Days/Times Program Regularly Scheduled	Saturday @ 10:00AM, (01/05/19 - 03/30/19)
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
