Number of Preemptions Rescheduled	1
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Teen Kids News is an educational program geared for students ages 13-16. The first kid-to-kid newscast teaches students about the world by delivering news that is important to them. Teen Kids News also gives students a voice. Each week, students can log in to a designated website to vote on different topics ranging from the War in Iraq to teen drinking. All topics are educational but are presented in an age-appropriate manner so students can better understand. In addition to delivering the news, teachers are also encouraged to download scripts of the show and hold their own newscasts in the classroom to help teach public speaking, reading and writing skills. Each week, Kids News also has vocabulary quizzes. The half hour program can be seen coast to coast and has received tremendous feedback from teachers nationwide.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	On October 20th, 2018, core programs Great Dr. Scott #1 and Great Dr. Scott #2 were preempted from their regularly scheduled times of 10am and 10:30am due to sports programming. The programs were rescheduled to Sunday, October 21st, and aired at 3:30pm and 4pm respectively, as reflected in the preemption reports for those programs. Although these were not in second homes, promotional efforts were made to notify the public of rescheduled date and time.
