Programming**

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.27
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	5.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Total times aired	12
Number of Preemptions	1
Number of Preemptions for other than Breaking News	0

Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Vets Saving Pets is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Vets Saving Pets examines the interpersonal stories of veterinary professionals working to save the lives of animals in need of urgent medical care. Vets Saving Pets takes place at the Emergency Veterinary Trauma Center in Toronto, one of the busiest veterinary facilities in Canada. Each week, viewers will be exposed to new emergency cases that will teach audiences about a wide array of specialties within veterinary medicine such as critical care, oncology, cardiology, neurology, anesthesiology, dermatology, dentistry, and surgery. Audiences will witness first-hand the dedication and determination of these veterinary specialists as they work tirelessly to save their animal patients. This program aired on our main digital channel only.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Champion Within is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. The Champion Within features the powerful and inspiring stories that exemplify what it really means to be a true champion. Hosted by Lauren Thompson, the series introduces viewers to people who have overcome obstacles while leading transcendent moments from the world of sports. From beating the odds to play the game they love to giving back to the communities that support them, the featured athletes will share their own stories and personal triumphs. Viewers will learn the value of good sportsmanship, and the dedication it takes to excel at the highest level. Win or lose, The Champion Within proves that a champion is not only defined by their speed, strength, and agility, but by their grit, resiliency, and heart.

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11) (iii)?	Yes
Name of children's programming liaison	Lisa Snell
Address	1700 Young Street
City	Cincinnati
State	OH
Zip	45202
Telephone Number	(513) 412-5012
Email Address	lksnell@hearst.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	<p>In 2018, as part of a year-long multi-platform commitment to tackle the Addiction Epidemic in our community, WLWT has produced daily news stories focusing on this topic and in particular the faces of those impacted in our communities, primarily children. WLWT also has a dedicated link on the WLWT.com homepage, State of Addiction, with local and national content providing updates and information for viewers. In the fourth quarter of 2018, WLWT participated in its 17th Annual Coat Drive, a partnership with local non-profit charity St. Vincent DePaul. The drive collected over 2850 coats that were in turn distributed to children and families in the local community. On October 27, 2018 core programs Vets Saving Pets and Consumer 101 were pre-empted at 11:30pm and 12:00pm to air breaking news coverage regarding the shooting that killed several people and wounded others that occurred at The Tree of Life Congregation, a Pittsburgh synagogue. The late breaking nature of this event and fluidity of the situation were beyond the control of the station and made it impracticable for the station to reschedule Vets Saving Pets and Consumer 101. On December 1, 2018, core program Vets Saving Pets was preempted for ten minutes (from 11:40-11:50am) to air breaking news coverage of President Trump offering his condolences and sympathy regarding the death of President George H.W. Bush. One or more episodes of children's programming that were preempted during the quarter were not rescheduled. The Digital Core Programming Summary section of this report would not permit the station to include preemption reports for such un-rescheduled preemptions, and FCC Staff has advised that no preemption report for such unrescheduled episodes is necessary.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Earth Odyssey with Dylan Dreyer is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Earth Odyssey with Dylan Dreyer will take viewers on an incredible journey to the wildest points on the globe, uncovering the connection between the environment, the wildlife, and the human beings that surround them. Hosted by Meteorologist Dylan Dreyer, Earth Odyssey with Dylan Dreyer will reveal a new destination each week, ranging from Africa, Indochina, the Middle East, and many untamed islands around the world. Audiences will come face-to-face with fascinating native animals, some cute and some dangerous, while educating teen viewers with amazing facts about nature and wildlife. Earth Odyssey with Dylan Dreyer gives audiences a captivating look at the symbiosis between all living things, in the most larger-than-life places on Earth. This program will air on the main digital channel only.

Program Title	Vets Saving Pets (Main Digital Channel)
Origination	Network
Days/Times Program Regularly Scheduled	Sunday/11:30am
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Vets Saving Pets is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Vets Saving Pets examines the interpersonal stories of veterinary professionals working to save the lives of animals in need of urgent medical care. Vets Saving Pets takes place at the Emergency Veterinary Trauma Center in Toronto, one of the busiest veterinary facilities in Canada. Each week, viewers will be exposed to new emergency cases that will teach audiences about a wide array of specialties within veterinary medicine such as critical care, oncology, cardiology, neurology, anesthesiology, dermatology, dentistry, and surgery. Audiences will witness first-hand the dedication and determination of these veterinary specialists as they work tirelessly to save their animal patients. This program will air on our main digital channel only.
