Digital Core  
Programming

| Question  | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream  | 3.0      |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream  | 672.0    |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:  | 12.0     |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?  | Yes      |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes      |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | A significant purpose and key education objective of this program is to develop individual identity. Young viewers will identify the key social, economic and cultural characteristics of populations in different locations as they expand their knowledge of diverse peoples and places. Through this program viewers will visit different continents, countries, cities and towns, and explore their unique cultures, history, natural wonders and attractions, sports, art, food, music, and everything else that makes them special. The world is magnificent and young learners become aware of how things happen in one part of the world that impact other parts. The World is Yours (El Mundo es Tuyo) is an entertaining, engaging and educational series for kids and entire families! |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Masha and the Bear (Masha y El Oso) is an animated series about the adventures of a three-year-old girl named Masha and her retired circus star friend the Bear. The relationship between Masha and the Bear is a metaphor of how a girl interacts with the world and how an adult can help with this difficult task. Precocious, silly, curious, creative and friendly with everyone she meets, this energetic girl can't seem to keep herself out of trouble. Bear, is a warm, fatherly figure that does his best to keep Masha from harm, often ending up the unintended victim of her misadventures! Through these amusing adventures children will develop cognitive and social-emotional skills. Masha and the Bear teaches children how to observe situations and to apply problem solving skills such as when a celebration does not go as planned, you make the best of it even when you encounter obstacles and working together as a team has better results. Young viewers will also learn right from wrong and the consequences of lying. Masha will be exposed to different situations some more complex than others, but there is always a lesson to be learned. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The key educational objective of this half-hour program is to learn through music. The show's philosophy is "early-learning through music," and in each episode "cognitive learning" is utilized. Created for pre-schoolers, through simple visuals, characters and dances young viewers are stimulated to learn sounds, letters, numbers, colors, and musical instruments. The show also seeks fostering values through rhymes. |          |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Human Nature (Naturaleza Humana) is a unique program of social and emotional learning that will build character and decision-making capabilities and lead to have a well balance life in a prosperous society. Animals have qualities that some humans should follow as examples, for instance; generosity, solidarity, perseverance, confidence, humility, tolerance, patience, integrity and self-control. This show was created to help recover and reinforce human values. Each animal guest will share their story and qualities, the cow will share about practicing generosity when she feeds everyone and the butterflies will teach us about accepting our differences. The program includes games and trivia. Viewers will receive a practical vision of good behavior at school, home and in the community and help them be better humans every day. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Sea Rescue, features the rescue, rehabilitation and in many instances release back in the wild of ocean wildlife. Produced for ages 13-16, Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. Viewers will also learn that there's a reciprocal benefit: rescued animals provide valuable insight into their biology and ecology. This information adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue will leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet. |

| Program Title  | Masha and The Bear (second digital stream)  |
| Origination  | Network   |
| Days/Times Program Regularly Scheduled   | SU, 10:00AM & 10:30AM   |
| Total times aired at regularly scheduled time  | 26  |
| Length of Program  | 30 mins   |
| Age of Target Child Audience from  | 2 years to 7 years  |
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Masha and the Bear (Masha y El Oso) is an animated series about the adventures of a three-year-old girl named Masha and her retired circus star friend the Bear. The relationship between Masha and the Bear is a metaphor of how a girl interacts with the world and how an adult can help with this difficult task. Precocious, silly, curious, creative and friendly with everyone she meets, this energetic girl can't seem to keep herself out of trouble. Bear, is a warm, fatherly figure that does his best to keep Masha from harm, often ending up the unintended victim of her misadventures! Through these amusing adventures children will develop cognitive and social-emotional skills. Masha and the Bear teaches children how to observe situations and to apply problem solving skills such as when a celebration does not go as planned, you make the best of it even when you encounter obstacles and working together as a team has better results. Young viewers will also learn right from wrong and the consequences of lying. Masha will be exposed to different situations some more complex than others, but there is always a lesson to be learned. |
