Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Smart Start Kids is a locally-produced, award-winning children's television program where preschoolers are the "stars" of the show. Produced in a magazine-style format, the children interact with show host "Willa" and travel to fun, educational places across the state of North Carolina. Together, they experience trips to new geographical locations, learn from hands-on activities, and create their own memorable stories and music. Children viewers can also participate from home or a childcare center by calling the Smart Start toll-free phone number and sharing their own exciting, personal stories such as a first trip to the beach or the arrival of a new puppy. This toll-free phone number provides access for all North Carolina children. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
